

## END-OF-LIFE (EOL) NOTICE

### XD2100SP

In keeping with our commitment to providing our customers and partners with the highest level of service and support, ExaDigm will End-of-Life ("EOL") the current XD2100SP mobile point-of-sale terminals.

The following End-of-Life (EOL) terms apply to the XD2100SP mobile point of sale terminals listed below:

#### 1. End-of-Life (EOL) Date

On December 1, 2011 all configurations of the following terminal will be discontinued:

Part No.	Product Description
T400010.000	XD2100SP Base Unit
T4MT384.000	XD2100SP w/CDMA
T4MS401.000	XD2100SP w/GSM
T4MW900.000	XD2100SP w/WiFi

#### 2. Final Orders

ExaDigm will cease taking orders for all XD2100SP mobile point of sale terminals listed above effective immediately.

#### 3. Existing Inventory

Effective the EOL date, all XD2100SP mobile point of sale terminals listed above will be available on a "first come, first serve" basis until the inventory is depleted.

#### 4. Repair Support

Repair support for all configurations of the XD2100SP mobile point of sale terminals listed above will be available for customers for a period of one (1) year or any other stated warranty period, as component availability permits or a replacement product will be offered.

#### 5. Continued and Future Development

There will be no new ExaDigm sponsored hardware or software development for this product after the EOL date. ExaDigm recommends that all customers and partners begin the process of implementing a plan to migrate from the XD2100SP listed above to the new NX2200.

#### 6. Replacement Products

The following replacement product is available for the EOL XD2100SP:

Part No.	Product Description
TNW2000.000	NX2200 Base Unit
TNW3T23.000	NX2200 CDMA Verizon
TNW3T24.000	NX2200 CDMA Sprint
TNW4T21.000	NX2200 GPRS
TNW5910.000	NX2200 with WiFi stick

For detailed information about ExaDigm's new NX Series and the application updates required to support them, please contact your Director of Sales at 214.544.9031 or [sales@exadigm.com](mailto:sales@exadigm.com) or your Director of Relationship Management at [projects@exadigm.com](mailto:projects@exadigm.com).
